

No. Lis/872/02/2014
Embassy of India,
Lisbon

Embassy of India, Rua Pero da Covilha No. 16, Restelo, 1400-297 Lisbon invites the open tenders/quotations for the following scope of work:

1. Removal of all old doors/windows & frames and channel gates.
2. Installation of double glazed doors/windows.
3. Provision for new electronic shutters
4. Removal and replacement of back side door of garage and installation of new emergency gate
5. Renovation of the existing bathroom on the 1st floor of the Chancery building, replacing it with two separate washrooms for ladies and gents.
6. Cutting of walls for making provisions for new electricity wiring for lights/powers and also making provisions for more sockets for internet/phones etc.
7. Making provision for shed on the way to Consular Section.
8. Making provision for shed for the local security guard at main gate.
9. Making provision for railing to climb the stairs (for old people)
10. Interior & exterior painting of Chancery premises including perimeter walls.
11. Removal of old air conditioners and filling the spaces.
12. Re-organisation of the Consular counter in the Chancery to meet the new requirements.
13. Making provision for a big size notice board at the outside wall.
14. Removal of old glass roof at in front of the wooden (main) door and put new glass for protection from rain.
15. Removal of the glass partition in midway to Consular (between front & back side stairs).
16. Making provision for the iron grill on top of the side wall.

The interested companies/contractors may visit to Chancery premises to take the measurements and submit their quotations.
