Aditya Birla ARC leads race for RPower unit

RAJESH KURUP Mumbai, July 18

THE RACE FOR Vidarbha Industries Power (VIPL), a subsidiary of Reliance Power, is heating up with three more companies, including Aditya Birla Asset Reconstruction Company and Reliance Asset Reconstruction Company (RARC), joining the fray.

Rare Asset Reconstruction (Rare ARC) and Asset Reconstruction Company (India), or Arcil, have also submitted expressions of interest (EoIs) under the Swiss Challenge method. While bids amounts submitted by the new entrants could not be immediately ascertained, sources close to the development said that Aditya Birla ARC is believed to be top bidder. Aditya Birla ARC is a joint venture between Aditya Birla Capital and Varde Partners.

Earlier in June, the lenders to VIPL had restarted the company's resolution process with its newly-appointed advisor, SBI Caps, inviting fresh bids. The bids were invited for the sale or one-time settlement of VIPL debt.

Three companies — Reliance Power, CFM Asset Reconstruction and National Asset Reconstruction Company (NARCL) — had earlier submitted suo moto bids for VIPL. SBI Caps will initiate the Swiss Challenge method and has fixed September 30 as the deadline to complete the process. CFM Asset Reconstruction had submitted a cash offer of ₹1,220 crore and that of NARCLwas ₹1,120 crore, while Reliance Power, another Anil Ambani group firm, had offered ₹1,260 crore jointly with Varde Partners. Reliance Power's offer was an upfront payment in all-cash mode.

Google can't remove Disney app in tussle over charges: HC

THE MADRAS HIGH Court on Tuesday said Google cannot remove Disney's streaming service from its app store in the country and should receive a lower 4% fee for in-app purchases, a significant challenge to its payments business model.

Disney's lawsuit is the latest and most high-profile challenge to Google's policy of imposing a "service fee" of 11-26% on in-app payments in India. It introduced that after an antitrust directive ruled against Google's earlier 15-30% fee and forced Google to allow third-party payments. Companies have argued that Google's new service fee system is just a cloaked version of its earlier system.

Disney, which runs the popular Disney+ Hotstar streaming app in India, challenged Google's new billing system in the Madras High Court. Its lawyers argued Google was threatening to remove the Hotstarapp if it didn't comply with new payments system. The court in a Tuesday hearing said Disney should now pay a 4% service fee to Google, and said the streaming app should not be removed from Google's app store. Further details of the order or the rationale of the decision are not known as the written order has not been made public.

Google did not respond to a request for comment.

National Stock Exchange of India Limited. **PUBLIC NOTICE**

Pursuant to the Securities and Exchange Board of India (Infrastructure Investment Trusts) Regulations, 2014 read with the master circular issued by the Securities and Exchange Board of India ("SEBI") bearing number SEBI/HO/DDHS/DDHS_Div3/P/CIR/2022/53 Master Circular dated April 26, 2022, in each case as amended, read with clarifications, notifications, circulars and guidelines issued thereunder (collectively, the "InvIT Regulations")

Virescent Renewable Energy Trust ("VRET") is an infrastructure investment trust registered with the SEBI, bearing registration number IN/InvIT/20-21/0018, in accordance with the InvIT Regulations. Virescent Infrastructure Investment Manager Private Limited (the "Investment Manager") is the investment manager of VRET. Axis Trustee Services Limited ("Trustee") is the trustee of VRET and Virescent Renewable Energy Project Manager Private Limited ("Project Manager") is the project manager of VRET. Terra Asia Holdings II Pte. Ltd. ("Sponsor") is the sponsor of VRET.

This public notice is being issued by the Investment Manager, acting on behalf of VRET with an intention to undertake voluntary delisting ("Delisting") of the units of VRET ("Units") and subsequent deregistration ("Deregistration") and dissolution ("Dissolution") of VRET, as an infrastructure investment trust, pursuant to Regulation 17(1)(e), Regulation 17(6) and other applicable provisions, if any, of the InvIT Regulations.

The Investment Manager, acting on behalf of VRET has appointed Axis Capital Limited, a category - I merchant banker registered with SEBI to manage the process of the Delisting. Details of proposed Delisting and Deregistration

1. The Units are proposed to be delisted from National Stock Exchange of India Limited ("NSE").

2. The Trustee and the Investment Manager have recommended Delisting of the Units. Regulation 17(1)(e) of the InvIT Regulations provides that an investment manager shall apply for delisting of the units of an infrastructure investment trust to SEBI and the stock exchanges (where the units of the infrastructure investment trust are listed), once such request has been made by the trustee and the investment manager and has subsequently been approved by the unitholders of such infrastructure investment trust.

3. Subsequent to the Delisting, VRET proposes to surrender its certificate of registration as an infrastructure investment trust to SEBI, in terms of Regulation 17(6) of the InvIT Regulations and proposes to deregister as an infrastructure investment trust ("Deregistration").

The board of the directors of the Investment Manager has approved Delisting, Deregistration and the subsequent Dissolution by way of its resolution dated May 12, 2023, which in its view are in the interest of the unitholders of VRET.

The unitholders of VRET have approved the Delisting, Deregistration and subsequent Dissolution by way of a resolution passed in their meeting held on June 6, 2023. The Delisting and Deregistration is subject to other statutory or regulatory approvals from SEBI, stock exchanges or any other relevant

authority, as may be required. Rationale for proposed Delisting and Deregistration

India Grid Trust ("IndiGrid"), an infrastructure investment trust, made a binding offer to the Sponsor on April 12, 2023 for the acquisition by IndiGrid and/or its affiliates of the entire unitholding of VRET and entire shareholding of the Investment Manager and Virescent Renewable Energy Project Manager Private Limited ("Project Manager"). The Sponsor had accepted (with respect to itself) the binding offer on May 12, 2023 and the binding offer had been taken on record by the Investment Manager in the meeting of its board of directors held on May 12, 2023.

The Sponsor, along with VRET (acting through its Trustee) and the Investment Manager has entered into a unit purchase agreement with Axis Trustee Services Limited (acting as the trustee of IndiGrid) and IndiGrid Investment Managers Limited (acting as the investment manager of IndiGrid) on May 12, 2023 for the sale of approximately 77.11% of the Units by the Sponsor to IndiGrid. Further, IndiGrid has entered into and shall enter into unit purchase agreements with all other minority unitholders of VRET for acquisition of 100% of their respective unitholding in VRET ("Proposed Transaction"). The completion of the Proposed Transaction is further subject to the extinguishment and Dissolution of

VRET. Upon completion of the Proposed Transaction, including the proposed Dissolution, IndiGrid shall hold 100% (one hundred percent) shareholding and beneficial ownership in VRET's assets (except for Terralight Solar Energy Sitamauss Private Limited wherein 66.66% shareholding and beneficial ownership shall be held by IndiGrid). In light of the aforesaid factors and subject to completion of the Proposed Transaction, the Investment

Manager, in consultation with the Trustee, proposes to have VRET's Units delisted and have VRET deregistered as an infrastructure investment trust. Subsequently, VRET is proposed to be dissolved as a 'trust' under the Indian Trusts Act ("Trusts Act"), 1882 subsequent to which its Units are proposed to be extinguished in accordance with the applicable provisions of the InvIT Regulations and the Trusts Act. **Details of Listing and Stock Market Data**

The Units of $V\overline{R}ET$ have been issued on a private placement basis and have been listed on NSE with effect from October 1, 2021 ("Listing Date"). The Units have been very thinly traded since the Listing Date. Current unitholding pattern of VRET
