KARNATAKA

THE POWERHOUSE OF INNOVATION

Asia's Largest Tech Summit

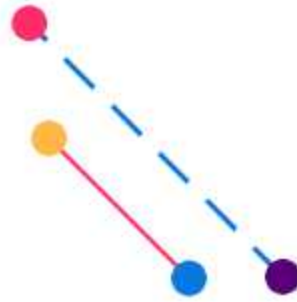

Welcome to the **Bengaluru Tech Summit 2023 (BTS 2023)**, where innovation and transformation converge in the heart of India's technology capital- Bengaluru. With BTS 2023 scheduled from **November 29th to December 1st**, at the **Bangalore Palace**, the city will once again be the epicentre of showcase of cutting edge technologies, thought-provoking discussions and unparalleled networking opportunities.

The world is currently witnessing a significant transformation. The manner in which we engage in business, govern societies and lead our lives is evolving, thanks to the emergence of Neo-technologies. BTS 2023 is poised at a crucial intersection, where the brightest minds from the Startup Community,

pioneering Research labs, SMEs and leading Corporations & Industries will converge. Together, they will showcase the rapid advancements in IT and DeepTech, the Metaverse and WEB 3.0, Electronics and Semiconductors, Animation, Visual Effects and Gaming, Telecom and 6G, as well as Biotech and Health tech.

The Summit will be attended by a global tech fraternity from more than 30 leading tech-nations. This year's edition is set to be a transformative experience like no other with an exciting line-up of activities.

The Department of Electronics, IT and Bt, Government of Karnataka looks forward to welcoming you to this Gateway to Tech Transformation.

Be at

BTS 2023 has a multi-track conference which covers the entire gamut of technology space. With individual tracks devoted to IT & DeepTech, Biotech, Start-ups and Global Innovation Alliance. Delegates can plan their three days to make the most of what the event has to offer.

Over 75+ sessions await you at the conference, including thought-provoking and inspiring keynotes, engaging panel discussions, and informative presentations; from 400+ global domain experts.

- AI / ML
- Cybersecurity & Data Privacy
- Robotics & Automation
- DeepTech Applications in Intelligence and Aerospace
- 6G
- AR / VR
- Clean Energy & Sustainable technologies
- Smart mobility
- Animation & Gaming

- Precision Medicine revolution
- AI in Drug Discovery
- Genome editing advances
- Next-gen Biomanufacturing
- Stem Cell Innovations
- Biosecurity Considerations
- Innovations in Agribiotech
- Personalised treatment strategies
- Bioinformatics Innovations
- Policy Innovations for Biotech Advancements

- Innovation Ecosystem dynamics
- AI-powered disruptions
- Emerging market opportunities
- Entrepreneurial Leadership insights
- Product-market Fit Mastery
- Growth Hacking 101
- Pitch Perfect
- Building strong teams
- Funding & Investment

SPECIAL PROGRAMMES

GLOBAL INNOVATION ALLIANCE ZONE (GIA)

GIA focuses on co-creation, co-innovation, and co-invention through Strategic G2G relationships, technology sharing, skilling cooperation, trade promotion, Startup support, and academic collaboration. Each GIA Partner country of BTS 2023 curates a dedicated session, conducts B2B meetings and showcases technological prowess in the GIA Exhibition Pavilion, which is a bustling business platform for diverse sectors.

INDIA-USA TECH CONCLAVE

India-US Tech Conclave @ BTS will bring together leaders from key industry verticals to explore potential opportunities in increasing collaboration, investments, address policy and regulatory issues aimed at deepening and expanding the synergy between Indian & American tech companies, innovation clusters.

INDIA INNOVATION ALLIANCE ZONE (IIA)

IIA aims to connect innovation clusters across Indian States, promoting co-creation and co-invention. IIA will explore different ways these clusters can leverage each other's strengths to create a unified India Innovation Story and an IIA Expo Pavilion will showcase promising startups and their technologies.

CEO CONCLAVE

The CEO Conclave brings together accomplished Indian CEOs, bureaucrats, policymakers, and leaders from associations like NASSCOM, IESA, ABAI, ELCIA and ABLE. This exclusive gathering aims to discuss emerging technologies and their vast potential for a positive societal impact.

STPI IT EXPORT AWARDS

STPI's prestigious IT export awards, established two decades ago, recognize IT & ITES companies with outstanding Export performance and contribution in ten categories evaluated by a distinguished jury panel.

BENGALURU STARTUP CONCLAVE

This will be the most exciting evening where young, bold and visionary leaders will come together to celebrate their achievements, share secrets of their success, talk about their next dreams and inspire many more young entrepreneurs and help create a roadmap for the State to take the world by the storm.

SMART BIO AWARDS

Smart Bio Awards are instituted with an aim to recognize emerging biotechnology firms making impact in their chosen fields like Biopharma, Services, Agribiotech, Medtech etc.

NATIONAL RURAL IT QUIZ

The National Rural IT Quiz, conducted in association with TCS, has been a popular program for over two decades, enhancing IT awareness among students at grassroots level, and has a reach of over 18 million students.

NATIONAL BIO QUIZ

As India's largest national-level Biotechnology Quiz, this programme aims to raise awareness and foster holistic exploration of Biotechnology among students. It showcases country's talent in the fast-growing field of Life Sciences.

B2B MEETINGS

The InterlinX One-on-One partnering tool facilitates targeted B2B meetings at the summit. The platform enables effortless search for potential partners, invitations sending, and conduct meetings, fostering connections amongst registered attendees for dialogue and business acceleration.

BIO POSTER - WALKWAY OF DISCOVERY

The Walkway of Discovery provides a platform for young researchers to showcase their breakthrough ideas in the field of Biopharma, Agritech, Medtech and Services sectors. It offers an opportunity to connect influential delegates, gain global recognition and compete for prestigious prizes.

BEYOND BENGALURU

Beyond Bengaluru, an initiative of the Government of Karnataka is aimed at promoting the emerging innovation clusters like Hubballi-Dharwad-Belagavi, Kalaburagi, Mysuru, and Mangaluru. The one day programme in these cities will be a run up to BTS 2023. It will unite industry leaders, policymakers, R&D community, startups and investors with focus on tech ecosystem, talent and tapping the investors to create two way market access.

Exhibition

BTS 2023 Expo

The Exhibition at BTS 2023 is where the excitement unfolds! As an exhibitor at the BTS Expo, you can gain unparalleled visibility and access to key stakeholders from Industry, R&D and Governments. This will be the perfect platform where you can showcase innovative products, services and solutions to a global audience.

We have focused pavilions for different industry verticals where exhibitors can engage with diverse audience of tech enthusiasts, investors and decision-makers. Leverage this opportunity to network, forge strategic partnerships and generate leads.

So get ready to immerse yourself in this world of transformative Technology and innovation. Reserve your spot today!
