

**Embassy of India
Lisbon**

ADVISORY

In light of the increased demand for PCC appointments, Embassy of India, Lisbon had started accepting applications for PCCs by post as well in June 2024. It has been decided to continue to accept PCC applications by post **till 30 September 2024**. For details, please visit: <https://www.eoilisbon.gov.in/page/send-pcc-applications-by-post2/>.

It may please be noted that the above service is in addition to online appointments available through Embassy's official website. This measure was introduced due to a surge in the number of applicants seeking appointment for PCC.

Embassy of India reiterates that appointments to consular services are available free of cost on the official website of the Embassy (<https://www.eoilisbon.gov.in/>). The Embassy has not authorised any agent or organisation to book appointment slots for consular services.

The Embassy continues to evaluate the situation and undertake efforts to ensure accessible and effective delivery of consular services. We request the continuing support, cooperation and understanding of the Indian diaspora as we handle the surge in demand for consular services.
